

个人简介

张卫平，博士，德国留学工作 14 年（2002-2016），在德国 T9 精英大学取得本科、硕士及博士学位，博士后就读于柏林洪堡大学。毕业后以技术负责人身份任职于德国 6 大研究所之一的柏林再生技术研究所。先后主持参与多个欧盟、德国科研基金课题。一直致力于人工智能、机器学习、大数据技术研究，注重人工智能技术与多学科交叉的实用性与产业化应用。以第一作者/通讯作者发表 SCI 论文 20 余篇，出版论著一部，申请发明专利 3 项。

Research Vision

Dr. Weiping Zhang is the Professor in Faculty of Electronic and Information Engineering, Nanchang University, China. His research vision is to deliver a rigorous mathematical framework of intelligent computing algorithms with applications in machine learning, data analysis, signal modeling & analysis, image matching & mining, process identification, and optimization to fully utilize the potential of artificial intelligence paradigm for addressing challenging problems of real-world. He chairs different high-level research projects from BMBF Germany、EU、NCFS China and published over 20 High-quality papers indexed by SCI Q1.
